

BRANIFF TRAIL DFW PLAQUES PLACED TODAY - This afternoon, January 15th, 2019, the two Braniff Trail Historical Plaques that were dedicated this weekend were placed on the Cloud Wall in the Braniff Chapel in The Braniff Terminal 2W, now Terminal B, near Gate 29. The two plaques commemorate Braniff Concorde service at DFW and the beginning of the first scheduled service at the world's largest airport, at the time. The two plaques are part of the new Partner Board that will be placed in the center of the Cloud Wall to honor the 96 donors who made the Braniff Chapel possible.
